

A photograph of a tree trunk and branches, viewed from a low angle looking up. The tree has a thick, textured trunk and many smaller branches extending outwards. The background is a bright, slightly overcast sky. In the center of the image, there is a large, light-colored rectangular area with a white border and a faint, semi-transparent image of the tree's branches. Inside this area, at the bottom, is a smaller white rectangular box with a black border containing the text "tree plantings" in a cursive font.

If Michael Stipe planted a tree in Urbana, then Brian & Lauren's tree should be planted there too...

Images on this page of Michael Stipe planting tree photos in Urbana, Janet trying to look like the photo she took of Michael Stipe when he planted a tree in Urbana, and planting a tree.
