# The Sun

I love the sun  
To me she is a princess  
Shining orange gemstones  
Bringing joy to my day  
Especially in the summer  
When the ocean  
Brings tides of a wonderful swim  
My spirit is happy again within each  
waves song.

# Rain

Drips away pain sometimes  
The carry of crashing waves  
Turn to blue waves on the oceans  
Soft caress  
Of seashells on sand  
Pearls of vacations.

# Lighthouses

My love for lighthouses  
Warm the water  
Like captains with a light  
Housing my thoughts  
Of light guards  
Seeing to swim  
Feeling the moon at night.

# Flowers Outside

Flowers like angels  
Have soft light  
Petals holding warm joy  
For us to feel the charm  
Of nature's story  
Within our hand  
Glowing colors.

# The Crystal Vase

On my table  
I keep a crystal vase  
Used for special moments  
When I get a gift of roses  
They cheer up the room  
So divine  
Like stars inside your house  
Shining from the light of the window  
Unto my crystal vase.

# The Wind Tower

The wind carries moments  
In the grasp of time  
The flowers echo,  
The fruits smile,  
The rivers little waves tremble  
Leaves blow birth from the sky.

# Chimes

Chimes are magical  
Blowing songs of silver  
High merited medal chains  
Honoring the day  
And into the night.

# Kites

Grace flies the kites  
On marble skies  
With breezes veils  
Flowing and blowing  
with colors where color is needed  
Kites high charter  
Front view of flying speed  
Wind captures each moment.

## Summer Skies

The sky has blue eyes  
The yellow thrill of the sun's steps  
Light our walkways of glowing stones  
A portrait of sky in real life motion  
Captured by a camera snap  
Forever in our hearts  
Days crowned with glory.

# Clouds Life

The sky is there home  
The dome of blue walls  
And rainbows  
Sliding treasure  
cloud's life is white puffs of magic  
sometimes rain drops on earth's million win-  
dows.

# Butterflies

The lake is filled with butterflies  
Landing on the sands  
They fly on the winds balance  
Natures kind words  
With trees and sceneries high standing.

# Spring

Spring dances in the wind  
Birds sing to a special seasons song  
Flowers whisper hymns of beauty  
Rose's heavenly rest  
On the greenest grass shades  
Spring is full of so much life.
