THE WORLD IS ROUND	15
HER LIPS	16
THE MIDDLE.....	17

EVE

Is a night
Before love,
A white moment
On the skin
Of dawn.

She is the mother
Of passion
And all its children,
But hides
In a lost garden.

She is part
Of all
The women we love
And all the ones
We never do.

HER CRUCIFIX

Is small and silver.
She never takes it off.
Its small links
Make me hesitate
A second before
I pull her to me
And we both become
Links in an endless chain.

I LOVE A WOMAN

In a mirror.
She is your reflection,
How you see yourself,
So what you offer me.
As we make love,
I look sidelong
At her passionate image. Then, I close my eyes
And blindly dream

HOW MANY DOORS

She has opened
Or where or why,
I do not know.
I only care about
The ones where I am
On the other side.

THE WATER

At night is like
The water of day.
It ebbs and flows, Touches the shore.
And yet there is
A moonlit coolness
Within each drop
And an amber salt
That slowly dissolves
As skin touches skin.

ONCE HER LIES

Were a modest fashion.
They would disappear
As she undressed.
Now they are bold and naked, Such a part of her flesh,
That as I touch her
It seems I'm touching
Buttons and zippers.

SHE DANCES

As she moves
And standing still.
I look at her across This crowded and
Empty room
Of the two of us
And know I am
Her partner
Within a melody
We both are
Still learning.

SHE COMES

From the earth
To walk upon it;
Comes from the sea
To sit beside it.
I've also seen fire
And rain within her,
Things I don't understand.
But she comes.
Her arrival is always welcome.

FROM THE VINES

That cover her
When she is lost
In the arbors
Of herself,
I have made wine.
I drink it slowly.

DESIRE

Is a liquid web
Holy spiders weave
To drown us in.
But how can we
Separate silk from
Water and still live?

TIME

She moves through time
As it moves through her,
Moves through hours
Spent as a woman-child
To being a woman with a child.
And each night I watch her
et the time on a clock
Next to where we sleep.

THE WORLD IS ROUND

It spins and yet
We do not falloff. Gravity holds us
The way your breasts Hold my hands.

HER LIPS

Compress and then
Widen into a smile.
It takes some time,
For it's a complete smile.

THE MIDDLE

If the earth
Is between
Heaven and Hell,
It is a middle place
Where we walk
Until we fly or fall,
Or do both as
We try to live
And breathe the fire
And the mist.
